FOOD & DRINKS

ABOUT US

We serve traditional dishes with a modern twist - combined with international flavors.

Always homemade and with a pinch of love -
plus as seasonal, regional und organic as possible.

Our focus is on vegetarian and vegan dishes.
Some of the veggies and fruits we use even grow in our garden -
therefore our name „Das Jaartn“.

Meat plays only a minor role – but if we use it for our menu
we use products from species-appropriate animal husbandry and/or organic ones.

Our partners are currently for example
Fleischerei Glaser in Baruth,
Mecklenburger Landpute in Domsühl,
Biomanufaktur Havelland (Biocompany)
Biohof Turnow in Turnow
